

**Don't Drift!**  
**Hebrews 2:1-4**

*The book of Hebrews challenges us to be anchored in the truth that Christ is our superior Savior and faithful high priest for our great salvation.*

When you are anchored in the truth of the great salvation you have in Christ you will not experience the consequences that come from drifting away from Christ. 2:1-4

Warning: Drifting from our great salvation brings the Lord's discipline. 2:1-3a

- This great salvation was declared by Christ. 2:3b
- This great salvation was confirmed by those who heard and saw the Christ. 2:3c
- This great salvation was authenticated by the miraculous work of God. 2:4a
- This great salvation was empowered by the work of the Holy Spirit. 2:4b

**Application:**

- Are you drifting?
- Will you come home?
- Will you encourage someone who is drifting in their faith to come home?
- Are you staying anchored in the truth?

***Will you join us in memorizing Hebrews 10:19-39?***
